The illusion is he was normal, in love with you, was what he said he was, did what he said he did. In pathology, that's never the case, because they are mentally disordered. Real Love, Not Just...

Pathological Relationships | Psychology Today

Pathological love was defined as "providing repetitive and uncontrolled care and attention to the partner in a romantic relationship." Individuals with pathological love were compared to those without it. As far as I could see, the justification for calling this a "pathology" was that it created unhappiness and disturbed the romantic relationships.
