Repssi Tree Of Life Manual

Tree of Life helps provide psychosocial support; that is, the emotional healing, spiritual strength and meaningful expression that help people recover from loss, trauma and other types of hardship. Psychosocial support includes love, care, protection and life-skills.

Tree of Life - CRS

Tree of Life The Tree of Life is a psychosocial tool based on narrative practices that uses tree parts as a metaphor for different aspects of our lives. The tool can help trained counsellors and paraprofessionals facilitate conversations with children about loss and bereavement in a way that helps them also share stories of hope, shared values and connections to those around them as well as to those who have died.

AMAZINGTRICKSS.INFO Ebook and Manual Reference

Using a pictorial method called the "Tree of Life", we began by sharing the stories of our own lives and how we grew up. We heard stories of growing up in poverty, in wealth, stories of suffering and of being surrounded by love and caring. From these stories we learned that all of us as children had moments of courage, strength and wisdom.
